George Lockhart was a share cropper and farmed a farm in the Crowell Community across the road from the church. This is the home they lived in when Jane was born. They also lived in Whiteville, TN for two years. He then went to work at a car plant in Franklin, Ohio. From there he moved his family to the Beacon, TN community where he owned and operated the general store from Jan. 1944 until 1952 when he moved to Witchita, KA. In 1953 he was in a serious car accident in St. Louis, MO and almost died. Sometime about 1955 he then moved to Flint, MI to work for Fisher Body and then to work for Buick. He retired there in the early 1970's and moved back to "main", he said the main part of TN, to Beacon, TN where he lived out the remainder of his life. He enjoyed hunting and fishing the Tennessee River for catfish. I remember when as a small child if anyone of us would start to cry he would hold out his hand and sing to us "Cry Baby Cry". That would stop us everytime. I always loved to hear his chuckling laugh. (Sharlet)

She married CECIL OMMER YOUNG, JR. March 09, 1946 in Cornith, MS, son of CECIL YOUNG and MYRTLE ARRINGTON. He was born November 24, 1926 in Decatur Co., TN.

Notes for GEORGIA FAY LOCKHART:

Georgia Faye Lockhart is the oldest of three daughters born to George and Hattie Lockhart in Henderson Co., TN. She slipped away with Junior Young on March 9, 1946 and got married. She was 14 years old and would be 15 years on April 19th. Her family called her "Polly" a nickname her grandmother, Julie Lockhart gave her. She dropped out of Beacon Community School in 1946 and went to work at the shirt factory at Parsons where she worked until Junior came home from the Army and they moved into the house with his parents until their house was built. She kept her marriage a secret until her Mother intercepted a letter from Junior addressing her as "My Darling Wife." My Dad always said half of his college diploma belonged to Georgia Faye since she wrote most of his Language papers and helped him pass those subjects. By the time she was 19 years old she was the mother to four little girls. She became an expert seamstress and sewed most of the dresses those four little girls wore through the years. She did factory work in 1959-61 at Saltillo, TN, and at Margaret Fashions in Panama City, Florida from 1963-1973. She nows manages a Custom Drapery Shoppe. She enjoys her 11 great-grandchildren, grandchildren, reading and gardening. She is the pillar that helps my Dad to stand Tall. (written by her oldest daughter, Sharlet on Nov., 2000) (edited in 2010).

Notes for CECIL OMMER YOUNG, JR.:

Cecil Omer Young, JR. called Junior by his family was the third of three sons and the only son to survive

born to Cecil & Myrtle. He dropped out of Parsons High School Class of 1946 in the spring of 1945 to join the Paratroopers but was too tall and then was drafted into the United States Army. He did his basic training at Camp Blanding, Florida and served a tour of duty in Austria at the end of WWII. He and Georgia Fay Lockhart married without any one knowing on March 9, 1946 and he returned to his base at which time he was immediately transferred overseas. He returned home and was honorably discharged from the Army in Oct. 1946 and claimed his bride. They set up housekeeping on what Junior called "Pea Ridge", a part of his father's farm in Hardin Co., TN., near Sardis, TN. He farmed along with his father and the spring of 1947 when the TVA came through that part of TN he wired houses for electricity. The fall of 1949 after surrendering to the call into the ministry Junior enrolled at Union University in Jackson, TN as a Biology major with a minor in Religion. He graduated Union in 1953 and taught high school science at Morris Chapel School and Savannah High School in Hardin Co., TN. In 1959 he became the principal of Saltillo

High School in Hardin Co., TN. During this time he pastored small churches that could not call a full time pastor. Some of those churches were: Morris Chapel Baptist, Saltillo Baptist, Enville Baptist, Bath Springs Baptist, Union Baptist & Zion Baptist. In 1961 he moved his family to Panama City, Florida where he began a teaching career as high school Physics teacher at Bay County High School and in 1971 he became head of the Science Dept. of A. Crawford Mosley High School where he remained until he retired from teaching in 1985. Junior graduated Alabama College the summer of 1964 with a Masters of Science Education. He pastored three churches in the NW Coast Baptist Ass.; First Baptist Fountain, East Bay Baptist, & Kingswood Baptist. He always had moonlighting jobs on the side. Some of those jobs were: surveying cotton fields, TV repair and sales (the sales part was not his most successful adventure) and I also remember those old farmers bringing their TVs and staying half the night waiting for Daddy to get the thing operating correctly; after moving to Florida he began a landclearing business with two bulldozers at one time and at the present has added an excavator. (I asked him when he was going to really retire and sell off all his equipment and he said he was ready to sell the bulldozer but he loved his excavator.) He enjoys being with his grandchildren, farming his land and operating his excavator. What a TALL man. (written by his oldest daughter, Sharlet, on Nov. 2000)
